

CELEBRATING 10 YEARS OF STUDENT SUCCESS

CENTER FOR
LAND-BASED LEARNING

The My Job Depends on Ag Scholarship is a 10-year partnership between **My Job Depends on Ag** and the **Center for Land-Based Learning** that supports graduating seniors and alumni of the FARMS Leadership Program. This scholarship helps students pursue higher education or training in agriculture, environmental science and related fields, investing in the future of the industry.

\$88,500

Scholarships Distributed

“

As a first-generation college student, every bit of financial support makes a difference in easing the burden on my family and allowing me to focus on my studies. This scholarship helps me pay for essential books and supplies, ensuring I have the resources needed to succeed in my classes.
